

The Ultra-Powerful Prostate Massager

LOKI™ offers 6 settings, extraordinary power, a completely new tapered design and a flared base that provides additional stimulation externally. What's more, it's 100% waterproof and fully USB rechargeable, perfect in the bath or shower and ready to go wherever your pleasure takes you. The ultra-smooth silicone delivers its intense vibrations direct to the prostate, while the easy-to-use controls allow you to explore some of the most explosive orgasms of your life.

HOW TO USE

- First, apply plenty of LELO's personal moisturizer to LOKI™ and to your body for the most pleasurable sensation.
- LOKI™ is great for use alone, but even better when used during sex and foreplay with a partner.
- Push the + button to turn LOKI™ on, and press the v or ^ button will cycle through the stimulation modes.
- Press + to increase vibration strength and - to decrease.
- LOKI™ has been programmed with 6 stimulation varieties that take full advantage of the massaging vibrations for male pleasure.
- The design features a flared base for added stability and stimulation.
- To lock LOKI™ simply hold + and - buttons together until the lights turn off. To re-activate and turn on, hold + and - together until the lights turn on.
